tions regarding the conduct of the various participants in the college community.

(2) Admission to the college carries with it the prescription that the student will conduct himself or herself as a responsible member of the college community. This includes an expectation that the student will obey appropriate laws, will comply with the rules of the college and its departments, and will maintain a high standard of integrity and honesty.

(3) Sanctions for violations of college rules or conduct that interferes with the operation of college affairs will be dealt with by the college, and the college may impose sanctions independently of any action taken by civil or criminal authorities. In the case of minors, misconduct may be referred to parents or legal guardians.

WAC 495E-120-110 Disciplinary terms. The following disciplinary actions against a student are authorized, and the definitions set forth in this section apply throughout this chapter:

(1) Verbal warning means oral notice of violation of college rules.

(2) Reprimand means formal action censuring a student for violation of college rules for failure to satisfy the college's expectations regarding conduct. Reprimands are made in writing to the student. A reprimand indicates to the student that continuation or repetition of the specific conduct involved or other misconduct will result in one or more serious disciplinary actions described below.

(3) Disciplinary probation means formal action placing conditions upon the student's continued attendance because of violation of college rules or failure to satisfy the college's expectations regarding conduct. The disciplinary official placing the student on probation will specify, in writing, the period of probation and its conditions. Disciplinary probation warns the student that any further misconduct will automatically raise the question of expulsion from the college. Disciplinary probation may be for a specified term or for an indefinite period which may extend to graduation or other termination of the student's enrollment in the college.

(4) Summary suspension means temporary dismissal from the college and temporary termination of a student's status for a period of time not to exceed ten days due to a necessity to take immediate disciplinary action where a student presents an imminent danger to college property, or to himself or herself or other students or persons in college facilities or off campus, or to the educational process of the college.

(5) Suspension means temporary dismissal from the college and temporary termination of student status, other than summary suspension, for a specified period of time.

(6) Expulsion means dismissal from the college and termination of student status for an indefinite period of time or permanently.

(7) Monetary fine or restitution means a written order, alone or combined with another disciplinary action, requiring the student to pay, within a stated time limit, appropriate restitution for a financial loss caused by the student's misconduct and/or monetary fine not exceeding one quarter's tuition. Failure to pay shall be cause for further disciplinary action and/or cancelling and barring the student's registration.

[Statutory Authority: RCW 28B.50.140, 34.05.220 and [34.05].482. 93-13-107, § 495E-120-110, filed 6/21/93, effective 7/22/93.]

WAC 495E-120-120 Initiation of discipline. (1) The vice-president for student services shall designate the person(s), in addition to instructors under WAC 495E-120-080, who may take any disciplinary action under this chapter. Such disciplining official ordinarily should meet or attempt to meet with the student to explain the seriousness of the matter and hear any explanation by the student before taking a disciplinary action.

(2) The student shall be given written notice of any disciplinary action except a verbal warning. Such written notice shall be delivered personally or mailed by first-class mail to the student's last known address. The notice shall state the factual basis for the action and shall advise the student of his/her right to appeal under these rules. The notice may be amended by notice reasonably in advance of a hearing.

[Statutory Authority: RCW 28B.50.140, 34.05.220 and [34.05].482. 93-13-107, § 495E-120-120, filed 6/21/93, effective 7/22/93.]

WAC 495E-120-130 Appeal of disciplinary action.

(1) A student may appeal a disciplinary action, other than a verbal warning, of an instructor or disciplining official by filing, within twenty days after the earlier of personal delivery or mailing of notice of the disciplinary action, a written application for a brief or formal adjudicative proceeding. This application may, but need not, explain the student's position and/or be on a form provided under WAC 495E-108-040. The application shall be filed with the vice-president for student services or the person (other than the disciplining official) designated by that vice-president to receive such an appeal.

(2) The vice-president or designee receiving the appeal may, in his/her discretion, stay the effect of the discipline pending the appeal.

(3) The vice-president or designee receiving the appeal may meet or attempt to meet with the student, the disciplining official, and anyone else deemed to have information, for the purpose of attempting to resolve the matter by agreement.

(4) Unless the discipline is rescinded, the student confirms in writing his/her withdrawal of the application for an adjudication, or the matter is otherwise resolved by agreement, the vice-president shall conduct an adjudicative proceeding. This shall be a brief adjudicative proceeding unless:

(a) The vice-president decides to convert the case to a formal adjudicative hearing; or

(b) The discipline includes some form of dismissal from the college and the student in his/her request for an adjudication specified a formal adjudicative hearing.

(5) Disqualification of a presiding officer shall be as provided in RCW 34.05.425.

(6) The matter shall be heard by the presiding officer de novo.

(7) Failure to participate or cooperate in the proceeding may be taken into consideration by the presiding officer and shall not preclude the presiding officer from making a decision. This shall not limit the possibility of a default under RCW 34.05.440.

(8) The student may be accompanied by an advisor. However, no attorney representative of any party may participate in a meeting or hearing unless he/she has filed with the presiding officer and served on all other parties, at least five days previously, a notice of appearance. In the event of such notice, any other party may also have counsel.

(9) The presiding officer may exclude from a meeting or hearing any person whose conduct is disruptive.

(10) The presiding officer may consider evidence of any previous disciplinary action taken against the student.

(11) The presiding officer and, subsequently, a reviewing officer, may affirm, modify, or reverse the disciplinary action.

WAC 495E-140-010 Use of college facilities. Renton Technical College provides continued educational opportunity for its citizens. In keeping with this general purpose, the college believes that facilities should be available for a variety of uses which are of benefit to the general public if such general uses do not interfere with the educational mission of the college. However, a state agency is under no obligation to make its public facilities available to the community for private purposes.

[Statutory Authority: RCW 28B.50.140. 93-13-112, § 495E-140-010, filed 6/21/93, effective 7/22/93.]

WAC 495E-140-020 Limitation of use to school activities. (1) When allocating use of college facilities, the highest priority is always given to activities specifically related to the college's mission. No arrangements will be made that may interfere with or operate to the detriment of the college's own teaching, research, or public service programs. In particular, college buildings, properties, and facilities, including those assigned to student programs, are used primarily for:

(a) The regularly established teaching, research, or public service activities of the college and its departments;

(b) Training, cultural, educational, or recreational activities of the students, faculty, or staff;

(c) Short courses, conferences, seminars, or similar events, conducted either in the public service or for the advancement of specific departmental professional interests, when arranged under the sponsorship of the college or its departments;

(d) Public events of a cultural or professional nature brought to the campus at the request of college departments or committees and presented with their active sponsorship and active participation;

(e) Activities or programs sponsored by educational institutions, by state or federal agencies, by charitable agencies or civic or community organizations whose activities are of widespread public service and of a character appropriate to the college.

(2) College facilities may be used by student organizations for regular business meetings, social functions, and programs open to the public. Any recognized campus student organization may invite speakers from outside the college community. The appearance of an invited speaker on campus does not represent an endorsement by the college, its students, faculty, administration, or the board of trustees, implicitly or explicitly, of the speaker's views.

(3) Reasonable conditions may be imposed to regulate the timeliness of requests, to determine the appropriateness of space assigned and time of use, and to insure the proper maintenance of the facilities. Subject to the same limitations, college facilities shall be made available for use by individuals or groups within the college community. Arrangements by both organizations and individuals must be made through the vice-president for plant operations. Allocation of space shall be made in accordance with college rules and policy and on

the basis of time, space, priority of request, and the demonstrated needs of the applicant.

(4) The college may restrict an individual's or a group's use of college facilities if that person or group has, in the past, physically abused college facilities. Charges may be imposed for damage or for any costs associated with the use of facilities. The individual, group, or organization requesting space will be required to state in advance the general purpose of any meeting.

[Statutory Authority: RCW 28B.50.140. 93-13-112, § 495E-140-020, filed 6/21/93, effective 7/22/93.]

WAC 495E-140-030 Statement of intentions. The college neither intends nor desires to compete unfairly with any local agency or private enterprise in making its facilities available to the community. Privately operated facilities exist which are well qualified to best meet many community needs. The college encourages the community to patronize local businesses or agencies. With this approach, the college will work cooperatively with local private enterprise to the mutual benefit of all concerned.

[Statutory Authority: RCW 28B.50.140. 93-13-112, § 495E-140-030, filed 6/21/93, effective 7/22/93.]

WAC 495E-140-040 General policies limiting use. (1) College facilities may not be used for purposes of political campaigning by or for candidates who have filed for public office except for student-sponsored activities, forums, or formal political caucuses.

(2) Religious groups shall not use the college facilities as a permanent meeting place. Use may be intermittent only.

(3) The college reserves the right to prohibit the use of college facilities by groups which restrict membership or participation in a manner inconsistent with the college's commitment to nondiscrimination.

(4) No one using college facilities may post promotional signs or posters on buildings, trees, walls, or bulletin boards, or distribute samples outside the rooms or facilities to which access has been granted, except with written permission of the vice-president for plant operations.

(5) These rules shall apply to recognized student groups using college facilities.

(6) Handbills, leaflets, and similar materials except those which are commercial, obscene, or unlawful may be distributed in designated areas on the campus where, and at times when, such distribution will not interfere with the orderly administration of the college affairs or the free flow of traffic. Any distribution of materials must be authorized in advance by the vice-president for plant operations and shall not be construed as support or approval of the content by the college community or the board of trustees.

(7) Use of audio amplifying equipment is permitted only in locations and at times which will not interfere with the normal conduct of college affairs as determined by the vice-president for plant operations.

(8) No person or group may use or enter onto college facilities having in their possession firearms or weapons, even if licensed to do so, except college personnel authorized by the president and commissioned police officers as prescribed by law.

(9) The right of peaceful dissent within the college community will be preserved. The college retains the right to take steps to insure the safety of individuals, the continuity of the educational process, and the protection of property. While peaceful dissent is acceptable, violence or disruptive behavior is not a legitimate means of dissent. Should any person, group, or organization attempt to resolve differences by means of violence, the college and its officials need not negotiate while such methods are employed.

(10) Orderly picketing and other forms of peaceful dissent are protected activities on and about the college premises. However, interference with free passage through areas where members of the college community have a right to be, interference with ingress and egress to college facilities, interruption of classes, injury to persons, or damage to property exceeds permissible limits.

(11) Where college space is used for an authorized function (such as a class or a public or private meeting under approved sponsorship, administrative functions, or service related activities), groups must obey or comply with directions of the designated administrative officer or individual in charge of the meeting.

(12) If a college facility abuts a public area or street, and if student activity, although on such public property, unreasonably interferes with ingress and egress to college buildings, the college may choose to impose its own sanctions although remedies might also be available through local law enforcement agencies.

(13) All activities and uses of college facilities shall comply with applicable laws and rules and college policies.

[Statutory Authority: RCW 28B.50.140. 93-13-112, § 495E-140-040, filed 6/21/93, effective 7/22/93.]

WAC 495E-140-050 Administrative control. The board hereby delegates to the president authority to set up administrative procedures for the use of college facilities; and to establish rental schedules where appropriate.

[Statutory Authority: RCW 28B.50.140. 93-13-112, § 495E-140-050, filed 6/21/93, effective 7/22/93.]

WAC 495E-140-060 Trespass. (1) Individuals who are not students or members of the faculty or staff and who violate these rules will be advised of the specific nature of the violation, and if they persist in the violation, they will be requested by the president, or designee, to leave the college property. Such a request prohibits the entry of, and withdraws the license or privilege to enter onto or remain upon any portion of the college facilities by the person or group of persons requested to leave. Such persons shall be subject to arrest under the provisions of chapter 9A.52 RCW.

(2) Members of the college community (students, faculty, and staff) who do not comply with these regulations will be reported to the appropriate college office or agency for action in accordance with these rules.

[Statutory Authority: RCW 28B.50.140. 93-13-112, § 495E-140-060, filed 6/21/93, effective 7/22/93.]

WAC 495E-140-070 Prohibited conduct at college facilities. (1) The unlawful use or possession of drugs, narcotics, or intoxicants on college property or at college func-

(2007 Ed.)

tions is prohibited. Students obviously under the influence of intoxicants, unlawful drugs, or narcotics while in college facilities are subject to disciplinary action.

(2) The use of tobacco is prohibited in or on any college facility.

(3) Destruction of college or other public property is also prohibited.

[Statutory Authority: RCW 28B.50.140. 93-13-112, § 495E-140-070, filed 6/21/93, effective 7/22/93.]

WAC 495E-140-080 Control of pets in college facilities. Pets are not permitted in campus buildings or on the grounds except guide or service dogs for the visually or hearing impaired, or persons with specific handicapping conditions or as specifically permitted by the vice-president for plant operations.

[Statutory Authority: RCW 28B.50.140. 93-13-112, § 495E-140-080, filed 6/21/93, effective 7/22/93.]

WAC 495E-140-090 Basis of fee assessment. (1) Use fees reflect the college's assessment of the present market, the cost of operations, and an evaluation of the intended purpose and its relationship to the purposes of this college. The board of trustees has determined that groups or organizations affiliated with the college should be permitted access to facilities at the lowest charge on the fee schedule, which may include complimentary use. A current fee schedule is available to interested persons from the office of vice-president for plant operations.

(2) The college does not wish to compete with private enterprise. Facility use for noncollege activities will not be granted at rates or upon terms less than fair rental value.

[Statutory Authority: RCW 28B.50.140. 93-13-112, § 495E-140-090, filed 6/21/93, effective 7/22/93.]

WAC 495E-140-100 Application procedures. (1) At least seven working days prior to date of intended use of any college facility, or such lesser period as is approved by the vice-president for plant operations, an authorized representative of the requesting organization must submit a proper and complete written application for use of college facilities, which may be obtained through the college's office of vice-president for plant operations. A single application may be sufficient for a series of meetings by an organization unless those meetings vary significantly in some substantive way; if so, separate applications will be required.

(2) An authorized representative of the using organization shall sign the application, which upon approval by the vice-president for plant operations shall serve as the rental agreement. By affixing a signature as representing the using organization, the signatory specifies that he or she has authority to enter into the agreement on behalf of the organization and if the organization fails to pay the amount due, the signatory becomes responsible for all charges. These charges may include interest on overdue accounts as specified on the rental form but not less than one percent per month.

(3) Large events, events requiring expenditures on the part of the college, or where significant areas are blocked out for the renter, up to fifty percent nonrefundable advance deposit may be required at the time of application.

(4) The college reserves the right to make pricing changes without prior written notice.

(5) Use of a facility is limited to the facility specified on the agreement.

(6) The priorities for facility use place primary emphasis on regular college events and activities. The president and the vice-president for plant operations each reserve the right to cancel any permit and refund any payments for use of college facilities and equipment when they deem such action advisable and in the college's best interests.

(7) In the event of a cancellation by the applicant, that organization is liable for all college costs and expenses in preparing the facility for its use.

(8) Any admission charge is to be specified by the applicant and approved by the college in advance.

[Statutory Authority: RCW 28B.50.140. 93-13-112, § 495E-140-100, filed 6/21/93, effective 7/22/93.]

WAC 495E-140-110 Supervision during activity. (1) Signatories to the rental agreement as well as adult organization leaders are responsible for group conduct and are expected to remain with their group during activities. When the use of particular facilities makes it advisable that supervision be provided, the college reserves the right to require that a staff member monitor the activity. Such service shall be paid at the current rate, by the organization requesting use of the facility, and does not relieve the organization from safeguarding the college's property.

(2) The security staff or some other authority of the college will open and lock all rented facilities. Keys to buildings or facilities will not be issued or loaned to any using organization with the exception of keys to designated off-campus locations or by approval of the vice-president for plant operations.

[Statutory Authority: RCW 28B.50.140. 93-13-112, § 495E-140-110, filed 6/21/93, effective 7/22/93.]

WAC 495E-280-080 Requests for corrections, hearings, adding statements to education records. Students have the right to request to have records corrected that they believe are inaccurate, misleading, or in violation of their privacy rights. Following are the procedures for the correction of records:

(1) A student must submit a written request to amend his or her education record to the appropriate college official responsible for the custody of the record as designated in WAC 495E-280-110. The request must identify the part of the record he/she wants changed and specify why the record is believed to be inaccurate, misleading, or in violation of his or her privacy or other rights.

(2) A student whose request for amendment of his or her education record has been denied may request a hearing by submitting a written request to the vice-president for student services or designee within ten days following the denial. The written request must be signed by the student and shall indicate the reasons why the records should be amended. The vice-president for student services or designee shall notify the student of the hearing within thirty days after receipt of a properly filed request. In no case will the notification be less than ten days in advance of the date, time, and place of the hearing.

(3) The hearing shall be a brief adjudicative proceeding as provided in RCW 34.05.482 through 34.05.494 and shall be conducted by the vice-president for student services or his/her designee. At the hearing, the student shall be afforded a full and fair opportunity to present evidence relevant to the issues raised in the request to amend the student's education records. The student may be assisted by one or more individuals, including an attorney.

(4) The vice-president for student services or designee will prepare a written decision, within ten days after the conclusion of the hearing, based on the evidence presented at the hearing. The decision will include the reasons for the decision and will advise the parties that it is subject to administrative review by the college president under RCW 34.05.488 through 34.05.491 if a written or oral request for such review is received by the president within twenty-one days. A copy of the decision shall be served on the student.

(5) If the final decision is that the information is inaccurate, misleading, or in violation of the student's right of privacy, the custodian of the record will amend the record accordingly and notify the student, in writing, that the record has been amended.

(6) If the final decision is that the challenged information is not inaccurate, misleading, or in violation of the student's right of privacy, the custodian of the record will notify the

student in writing that the student has a right to place in the record a rebuttal statement commenting on the challenged information and/or a statement setting forth reasons for disagreeing with the decision.

(7) The student's rebuttal statement will be maintained as part of the student's education records as long as the contested portion is maintained. If the contested portion of the education record is disclosed, the statement will also be disclosed.

WAC 495E-300-010 General policy. Any applicant for admission, enrolled student, applicant for employment or employee of Renton Technical College who believes she/he has been discriminated against on any unlawful basis, including sex, marital status, race, color, national origin, handicap/disability, age, or religion, may lodge an institutional grievance by following the procedures below.

[Statutory Authority: RCW 28B.50.140. 93-13-116, § 495E-300-010, filed 6/21/93, effective 7/22/93.]

WAC 495E-300-020 Informal procedure. (1) All applicants, employees, and students should feel free to discuss perceived discrimination with the individual responsible and with the person immediately in charge, such as the first-line supervisor or instructor, to see if the situation can be resolved informally. Applicants, employees, and students may also consult directly and confidentially with the college affirmative action officer without making a formal written complaint. However, they are not required to use the informal process and may go directly to the formal procedure.

(2) Any college official receiving any discrimination complaint shall contact the affirmative action officer or designee as soon as practicable. The college official shall arrange for the complainant to receive a copy of the complaint procedure.

[Statutory Authority: RCW 28B.50.140. 93-13-116, § 495E-300-020, filed 6/21/93, effective 7/22/93.]

WAC 495E-300-030 Formal procedure. Employees and students may make a written complaint concerning discriminatory behavior to the affirmative action officer or his/her designee.

(1) Complaints will be held in confidence to the extent this is reasonably possible. No action against the person accused will ordinarily be taken on behalf of the complainant unless the complainant consents to be identified to the accused, although the college reserves all rights to take appropriate corrective measures regardless of the actions of the complainant.

(2) The complainant or accused may bring a person of his or her choice to any meetings about the complaint.

(3) The affirmative action officer or designee shall give a copy of these regulations and any applicable board policy to the person making the written complaint and to the accused.

(4) The affirmative action officer will meet, consult, and investigate as he/she deems appropriate. An informal hearing may be substituted for or added to an investigation if the complainant and the accused agree. The affirmative action

officer or designee will be responsible for conducting any such hearing.

(5) The affirmative action officer or designee shall promptly communicate his/her findings to both the complainant and the accused, and then shall make a written report of those findings and a recommendation to the appropriate disciplinary authority or other college official (but not one who would hear any appeal).

(6) Appropriate corrective measures, if any, will be decided by the appropriate disciplinary authority or official. If an accused employee or student disagrees with the determination or appropriateness of the corrective measures, that individual may contest those measures through any available faculty or classified grievance procedures, if they are covered by a bargained agreement, or the student code appeal procedure.

(7) Information will be entered in a personnel or student file only to the extent that a formal reprimand or other disciplinary action has been taken. If no disciplinary action is taken, the affirmative action officer will keep a record of the investigation for a period of three years and then that record will be destroyed. If a complaint is filed with an outside state or federal agency, files will be maintained until that complaint is resolved. When such files are used, written notice will be placed in the file indicating the person using the file and the date used.

[Statutory Authority: RCW 28B.50.140. 93-13-116, § 495E-300-030, filed 6/21/93, effective 7/22/93.]

WAC 495E-300-040 Other remedies. These procedures outlined in WAC 495E-300-010 through 495E-300-030, are internal college procedures and, as such, serve to resolve complaints within the college's administrative framework. These procedures do not restrict or replace an individual's right to file a timely complaint with an external agency such as the Office of Civil Rights, Equal Employment Opportunity Commission, or the Washington state human rights commission.

[Statutory Authority: RCW 28B.50.140. 93-13-116, § 495E-300-040, filed 6/21/93, effective 7/22/93.]

WAC 495E-300-050 Policy statement on disabilities. Students with documented disabilities who meet admission qualifications will be provided reasonable accommodation. Accommodations may be made in the style of instructional delivery, method of evaluation, or curricular aides. The college will not lower the standard measurement of competency for the certificate of merit or the standards of a degree.

Specific support services and auxiliary aide should be determined prior to registration. State vocational rehabilitation agencies or common school districts charged with providing support to handicapped students will retain primacy of responsibility for necessary auxiliary aids.

Renton Technical College encourages all students to achieve the highest level of skill development possible, as well as to achieve the ability to function independently in the workplace. Therefore, accommodations will be provided on a decreasing basis to the extent that the student's reasonable requirements diminish as the student becomes increasingly successful in training and nears job placement.

[Statutory Authority: RCW 28B.50.140. 93-13-116, § 495E-300-050, filed 6/21/93, effective 7/22/93.]
